Book	『重光 英 外交回想録』 ISBN: 4122055156						"Unfortunately, I failed to find a English copy of this book, the book is in Japanese originally. This book is written by Mamoru Shigemitsu. He was a Japanese diplomat and politician in the Empire of Japan during WWII era. He also worked in the Japanese embassy in Washington DC before the war. The book is a collection of his diplomat experiences during WWII as well as his analysis on global relationships during that time. This book is rich in information of a lot of diplomatic activities with Japan in WWII era and includes a lot of political confidential information that much later to be known to the world. This book is critical to understand the cause why Japan joined the Axis Power and even become an enemy of the United States." -Mingsi Hu
