Catchment area

085% of the pupil live within 1km of the school. This could change with the school growing in size to a four form entry and admitting children that need a school place from across the borough as there are a lack of Primary places.

Expansion plans or changes to student school times

As the Primary Phase of our all-through academy will be based across three sites we will have to have a staggered start and finish time to allow parents that have children in all three campuses to collect their children on time.

Issues

Current (4)

Parking:

Date identified: 03 January 2014

Details

High level of car usage.

Parking:

Date identified: 03 January 2014

Details

Parents that do decide to bring their children to school are parking badly to drop off.

Road Safety:

Date identified: 03 January 2014

Details

Very narrow road (Longhurst Road) with parking either side at beginning and end of the day. Cars struggle to pass each other causing issues with cars and children crossing the road.

Walking:

Date identified: 03 January 2014

Details

School crossing patrol is being cancelled. Patrol is situated at 3-way traffic lights. A new site is planned on the opposite side of the road from the Nursery and Primary School. High School pupils also cross here. Junior children sometimes take infant children home. The potential for traffic accidents is very high.

Curriculum: C4 Health benefits of active travel covered in curriculum

Owner: STP Champion Completed date: 06 May 2015

Actions

All children have been taught about the benefits of being active during PE lessons led by our coach from Crystal Palace Football Club. The children have considered the way their body reacts to exercise of varying intensity - walking, running, scooting and skipping. What are the benefits of these over travelling in a car? The children produce posters about this. Year 3 and Year 5 cover Healthy Living in science and investigate the benefits of active travel. The Year 6 children investigate whether it is feasible to travel to their secondary schools using active travel. To teach about the health benefits of active travel when in PE classes. Link other initiatives that if you have to drive - you use a map we produce to park away from the school and walk a short distance to the school gates.

Curriculum: C1 School takes part in competitions

Owner: STP Champion Completed date: 06 May 2015

Actions

All children have taken part in a competition to design a banner that encourages adults to stay clear of the zig zag lines. The School Council (which includes our JRSOs) has voted on the

winner. Peter McDonald has kindly agreed to fund two banners from STARs funding. The KS1 children started taking part in the Walking Bear scheme in April which includes an element of competition. To launch competitions that promote road safety, cycling and scooting - this could be through Wow, work that the JRSO's do or national competitions through British transport.

Promotion: PR1 Newsletter

Owner: STP Champion **Completed date:** 06 May 2015

Actions

Our newsletter includes a regular section providing updates on STARs. This has been particularly important in encouraging sensible parking around our new Stroud Green Campus. To provide information on travel related issues in and around the school campus and also the ones that have been identified in other initiatives. To inform the parents on all walking, cycling and scooting activities in the school.
