

How Well Do You Take Notes?

Nicole Cotto (CS), Valerie Courtemanche (PH), Khadijah Ibrahim (ECE), Jonathan Kurtz (AE)
 Advisors: Joseph Beck (CS), Robert Traver (US), Troy Bergeron (AE)
 GPS: Ignorance is Not Bliss

Statement

Many college students don't take notes well.

Solution

Note-taking workshop on note-taking strategies.

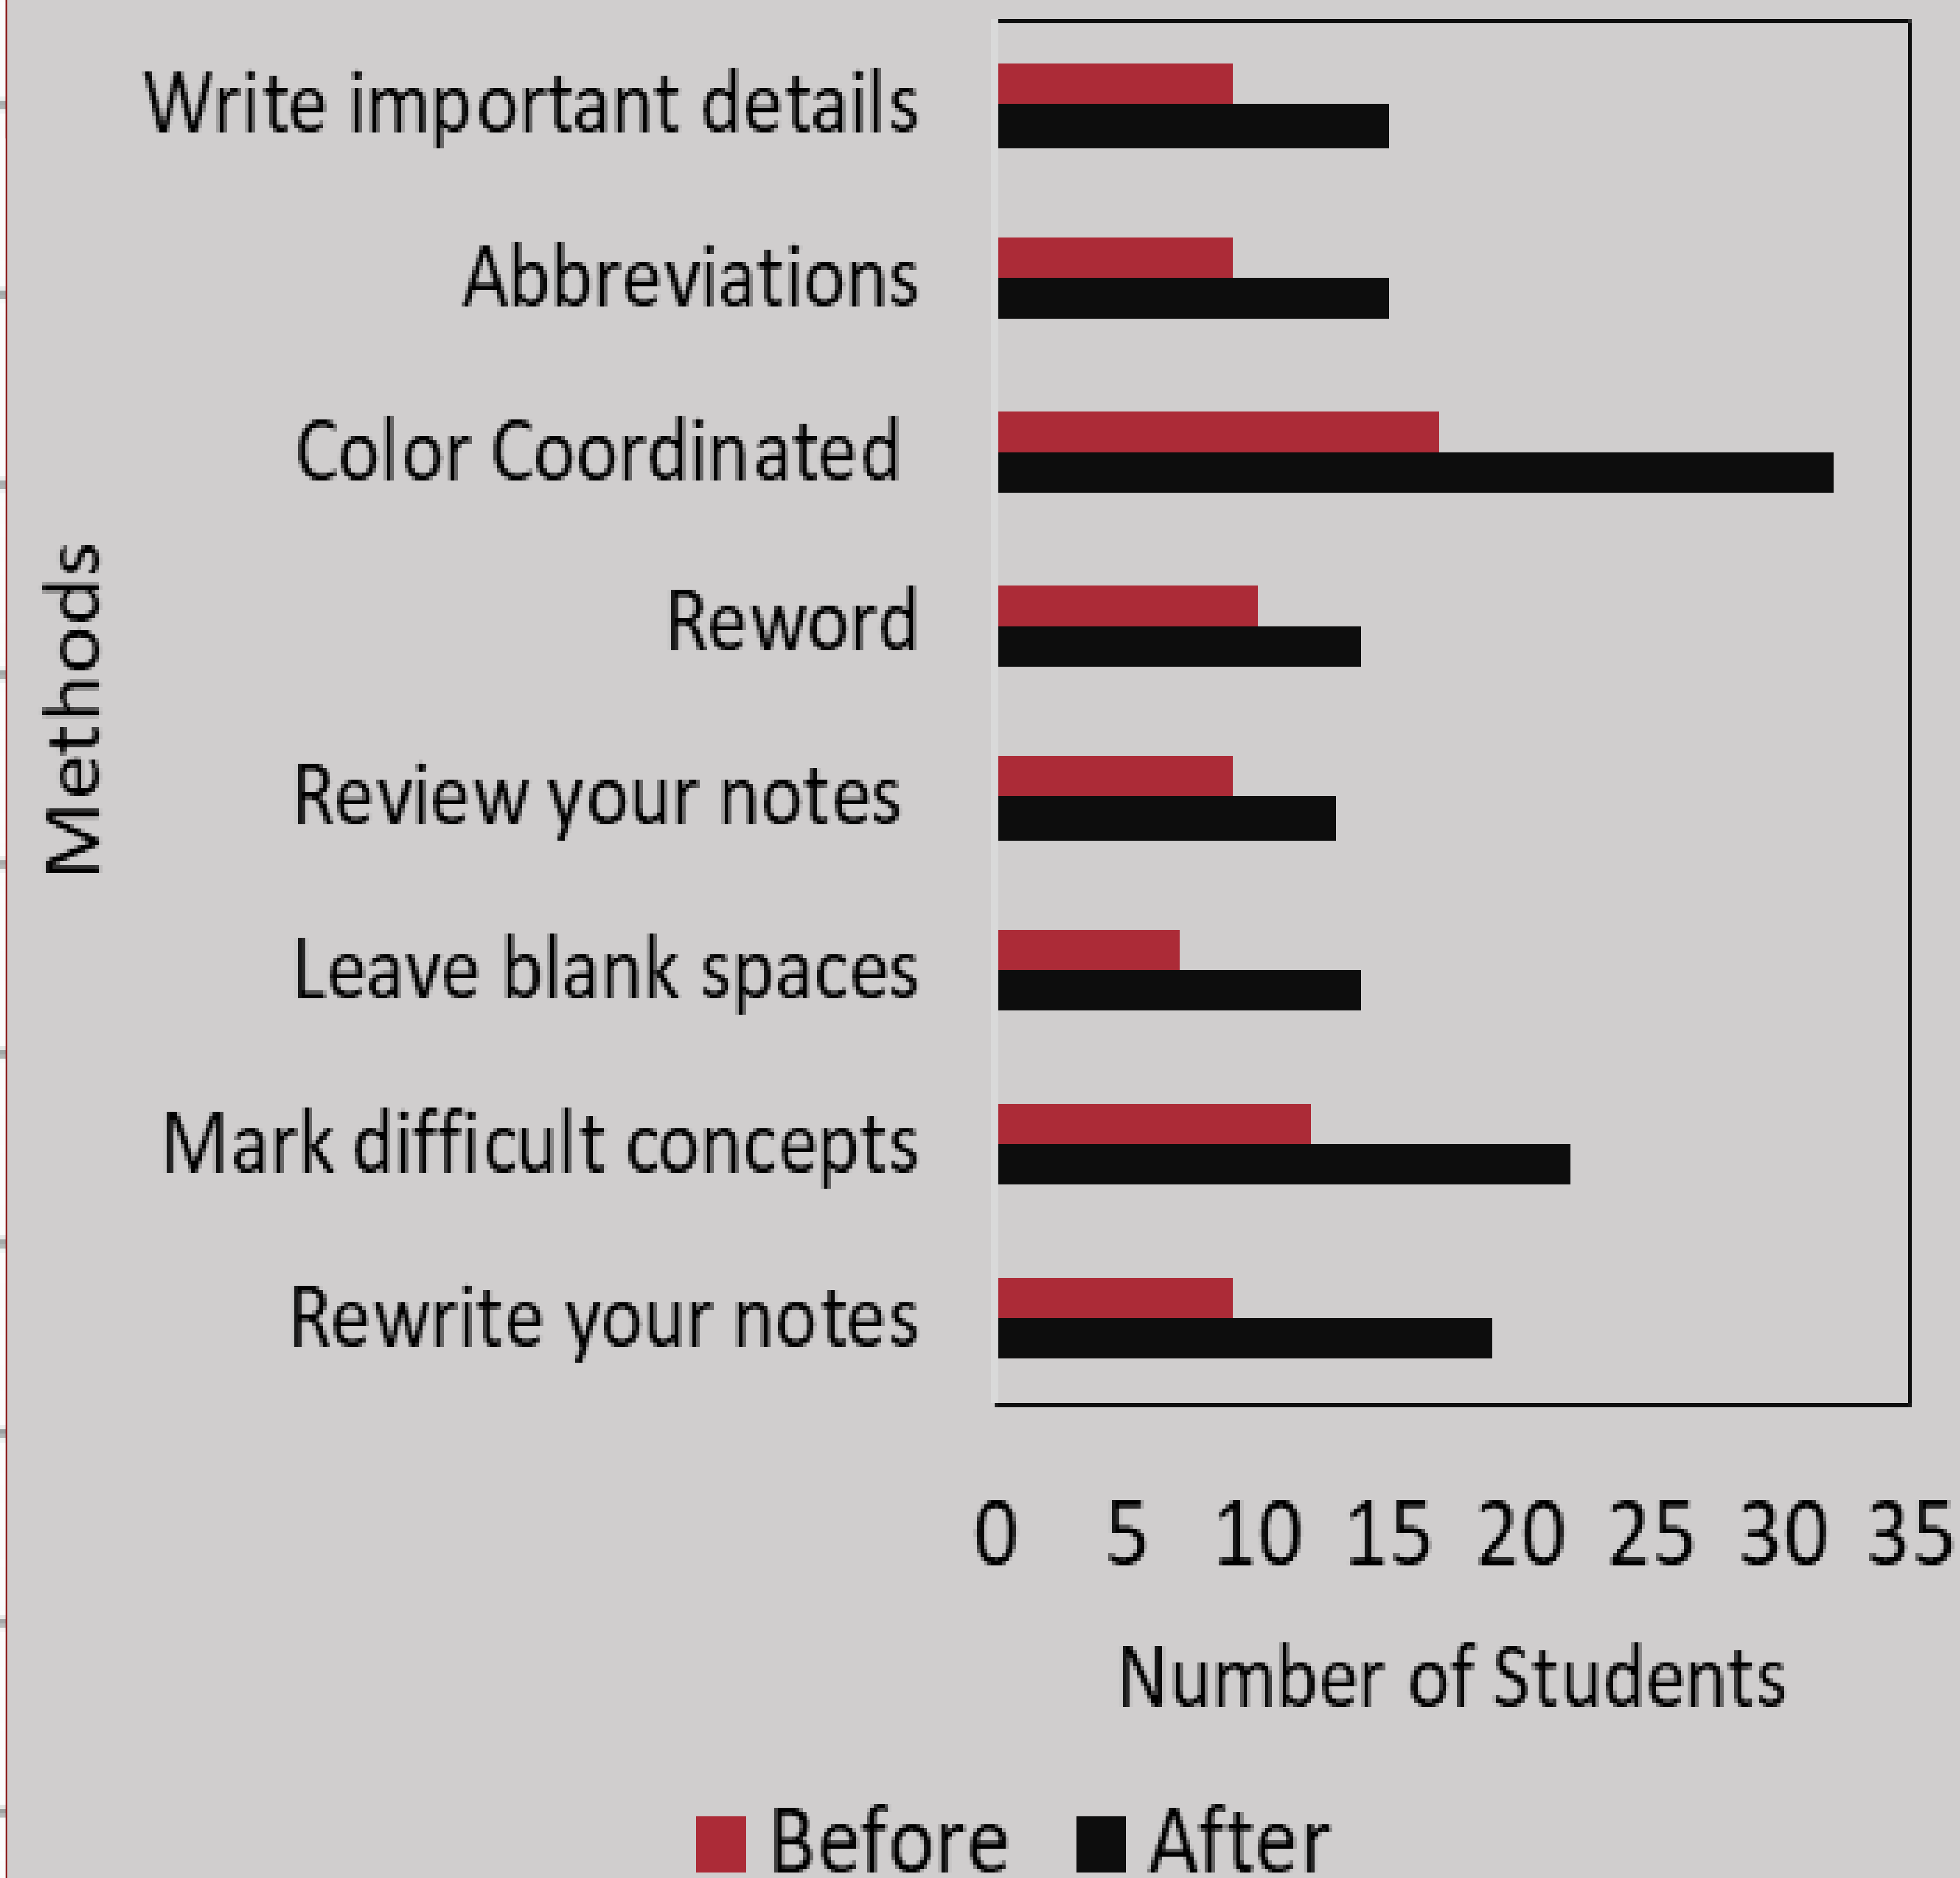

Methodology

A pre workshop survey
 Individual application
 A post workshop survey

Workshop

32 college students attended a workshop.
 Presented eight different note-taking methods.

Preferred Method

Comments

"Gave me new ideas to take notes so that I can remember the content better."

Conclusion

Most students found the workshop and the methods to be useful.
