

# Who's Hungry?

## Creating the Optimal Survey For Analyzing WPI Student Food Needs

Carlee Irish (AE), Colleen Mullins (ME), Jordan Myers (CHE), Olivia Ridley (CHE)  
 Advisors: Professor Elisabeth Stoddard and Professor Kristen Wobbe

### Food Insecurity on U.S. College Campuses

42% of all college students have experienced some form of food insecurity

Columbia University Student Publicizing Food Insecurity

Increase in college tuition 12 fold over 30 years → increased food insecurity

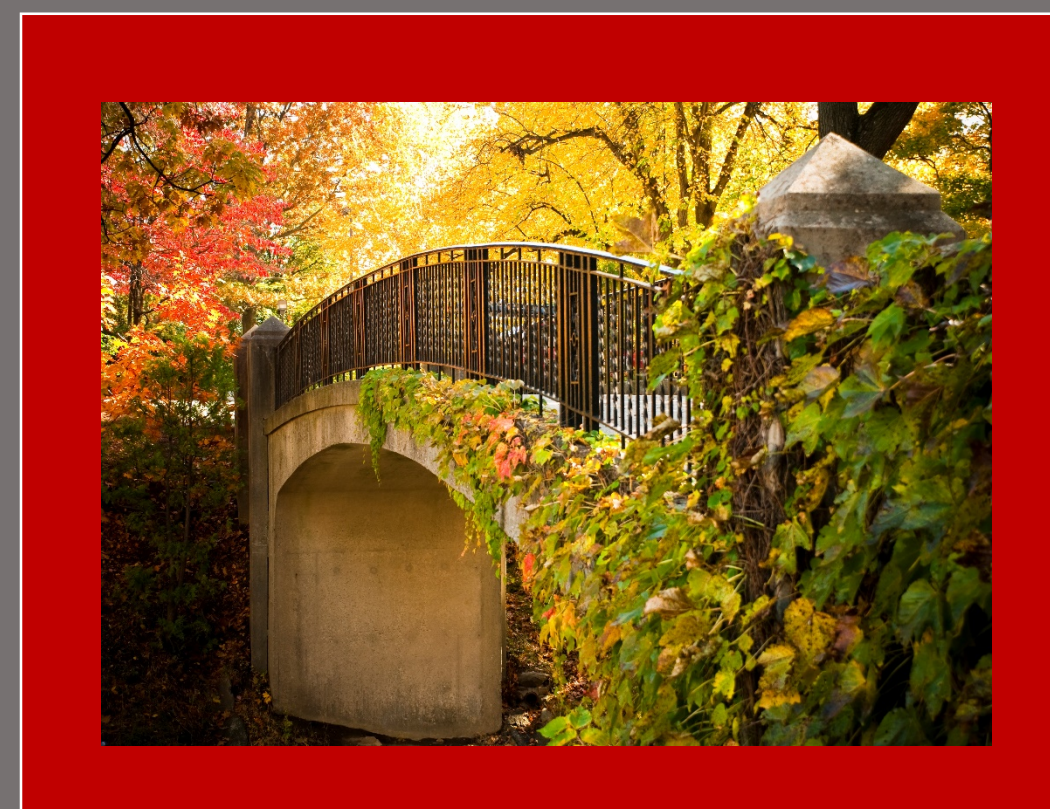

Food insecure students score lower on math, reading, and social skills tests

398 U.S. colleges have food pantries due to student food insecurity

### Is Food Insecurity a Problem at WPI?

WPI Campus Fountain

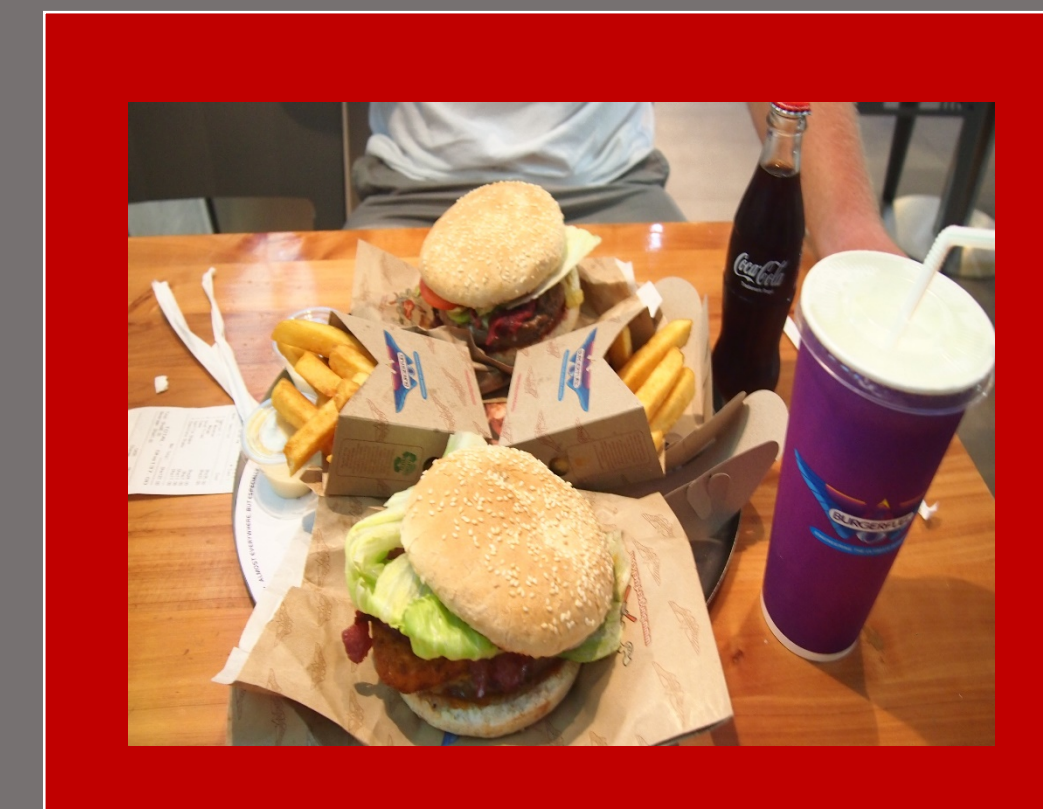

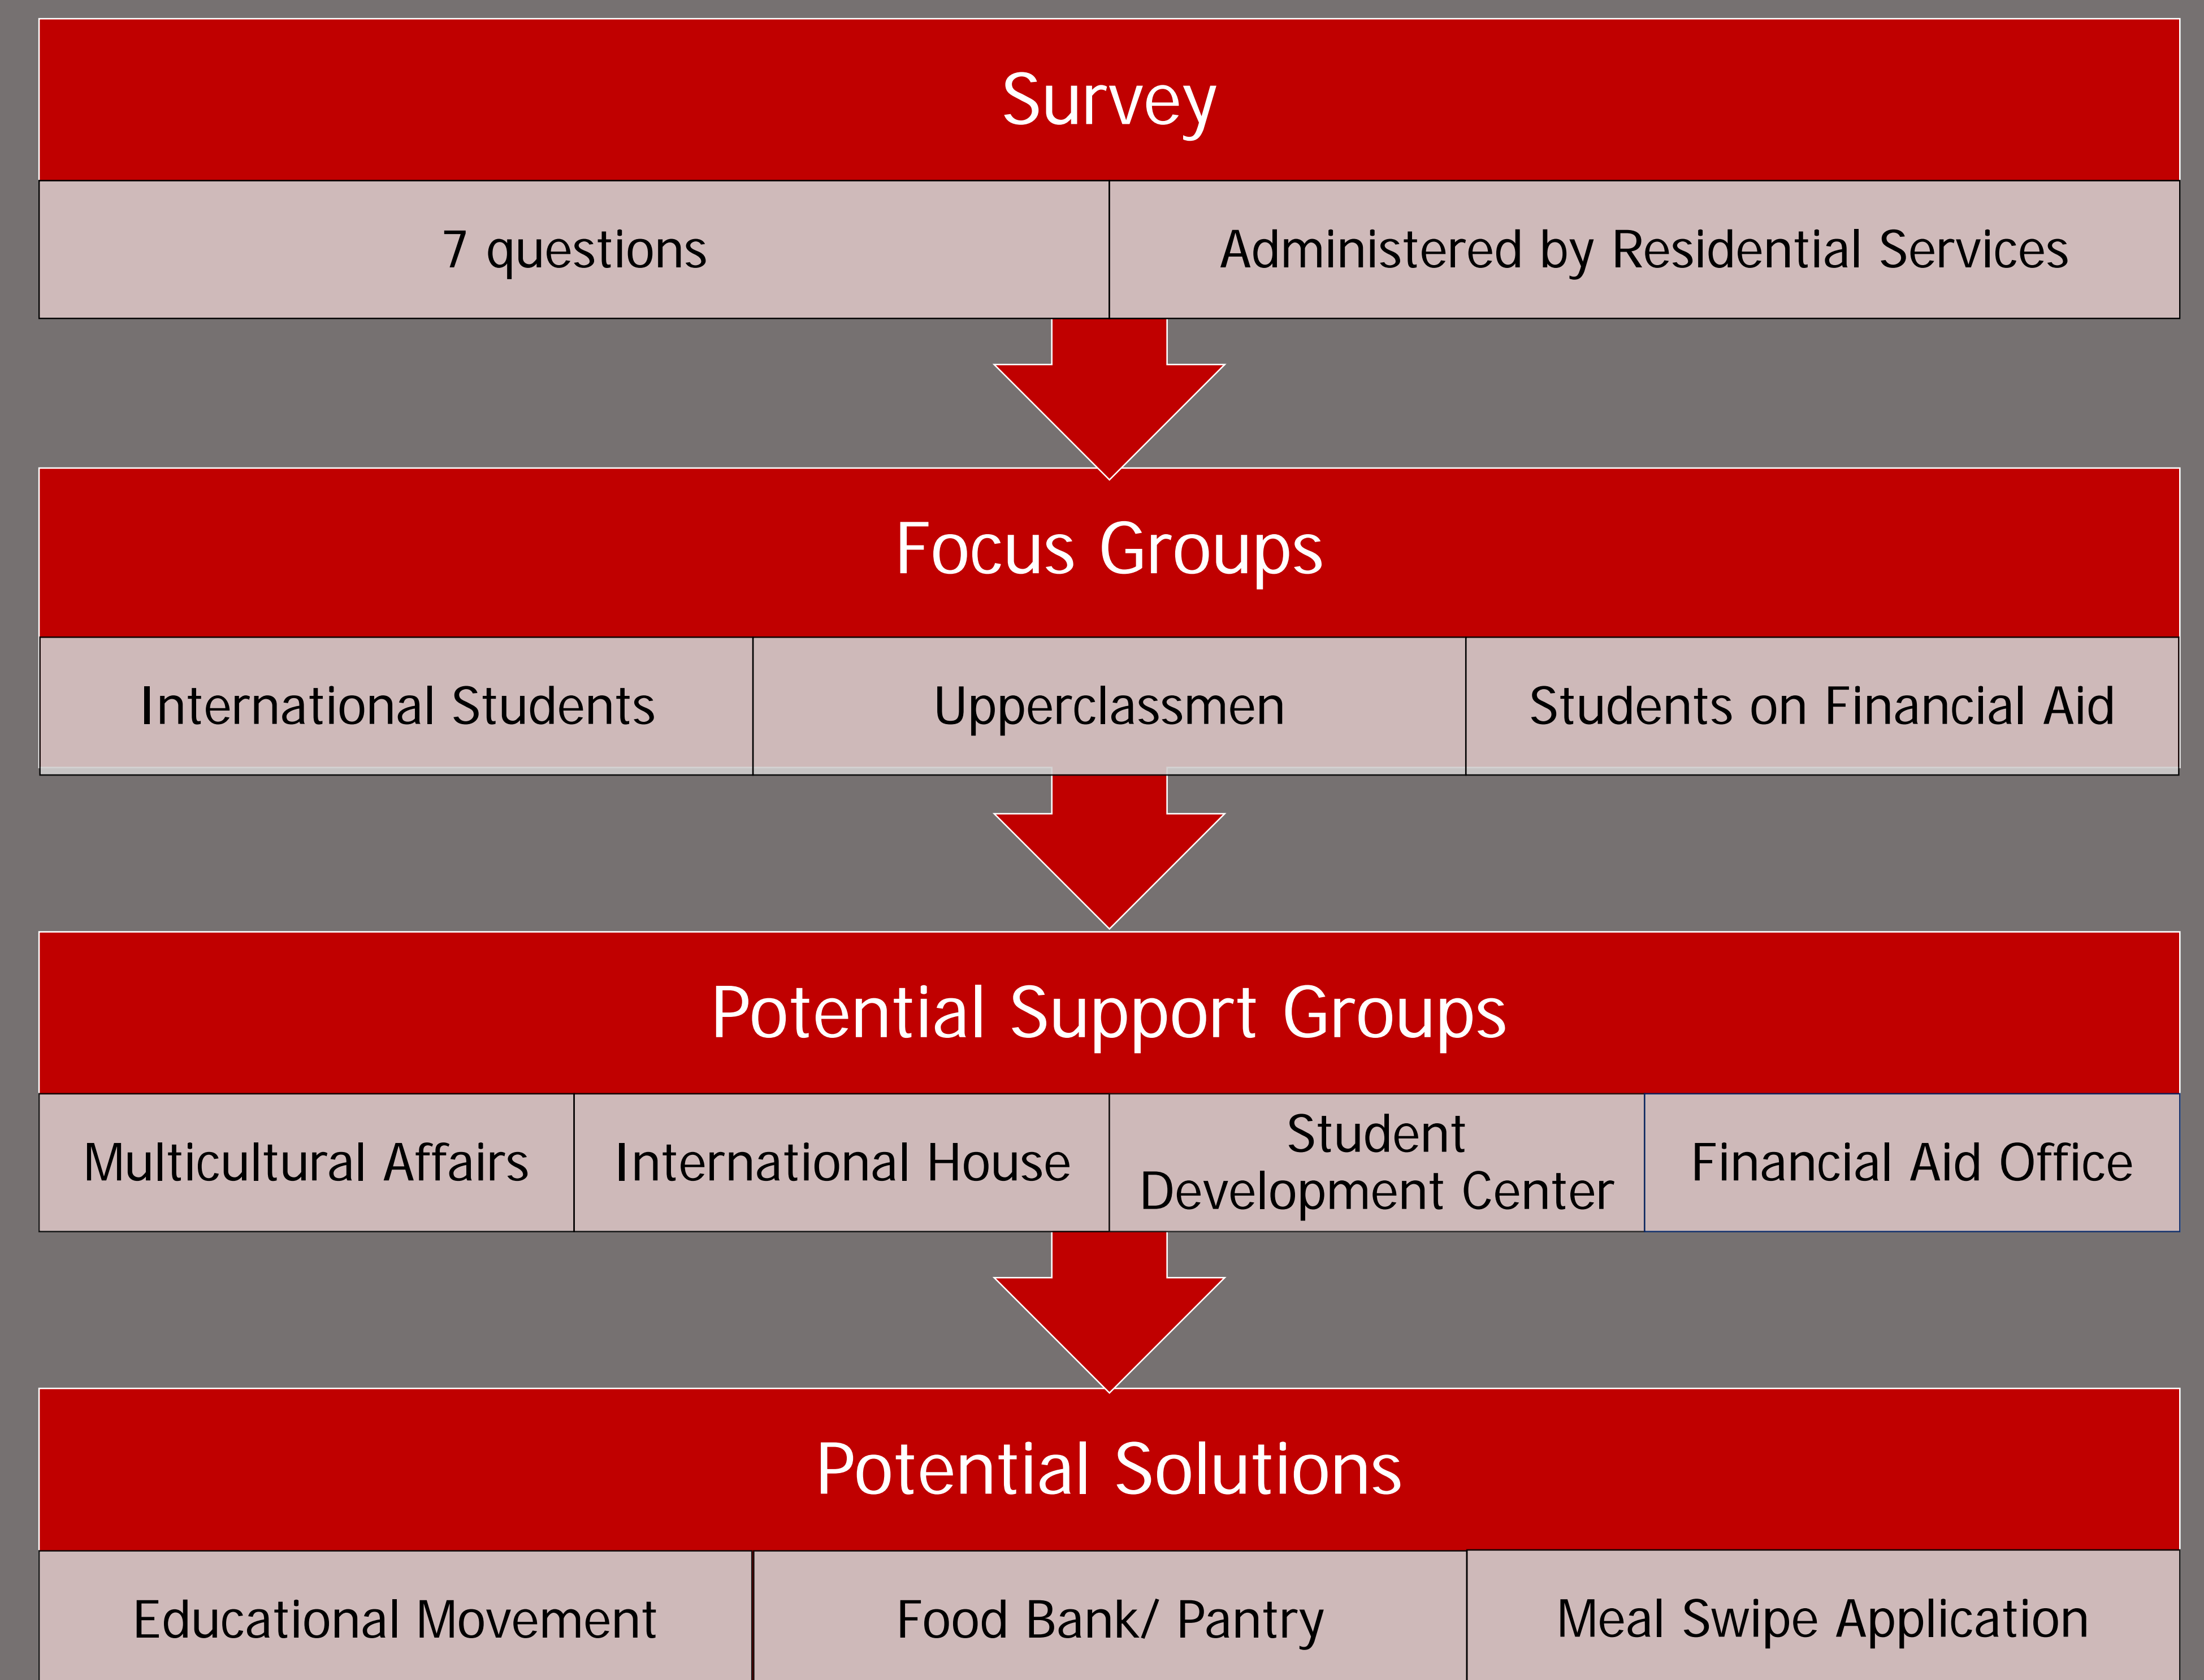

WPI Campus Bridge

WPI Campus Center

### What Do We Propose?

Common Unhealthy Meal

Sign for a Local Food Pantry

Logo for Meal Swipe App

#### Acknowledgments:

We would like to thank both Professor Stoddard and Professor Wobbe for helping guide us through this entire project. We would also like to credit Rebecca Guimond and James Dubick for taking the time to interview with us and various offices around WPI for answering our questions and keeping in contact with our group.
