Dedication

We gather this evening to honor the finalists and recipients of the Entrepreneur Of The Year® Awards. But the real tribute is to each of you – members of the entrepreneurial community who are providing the solid foundation for future economic growth. By pursuing the American Dream – building your own business and fortune – you benefit all of us.

Each individual and company who was nominated for Entrepreneur Of The Year® has a unique and interesting story – a story that illustrates the courage, imagination and perseverance it takes to pursue the entrepreneurial dream. But those stories have remained largely untold. That is why we have chosen to honor entrepreneurs with an annual award. By recognizing your accomplishment, we hope to encourage and contribute to the kinds of activities and environments which foster and support the entrepreneurial spirit.
