Person1 (12:22): Hey, could you do an event featuring pets?

Person2 (1:06): I'd like to bring my dog along to the June 1 event, would that work?

CCDT (3:38): Sure, dogs are part of the community too.

Me: What if I'm allergic to dogs?

Person2 (3:45): Just stay away from dogs, then.

CCDT (4:02): We can have a designated dog area
